On July 13, 2008 third (3rd) shift Sunday Night at Count time inmate Clinton Myhand A.I.S.# 164380, was laying in the assigned bed talking to inmate Anthony Coleman A.I.S.# 237703 on Bed 14-B and 14-A. Officer ~~Studemire~~ *Studemire* (Co.I) (B/F) with the cadet(s) counted once prior to this incident and approximately thirty (30) minutes later officer S.Hess (Co.I) (W/M) started counting again with the cadet(s). I observed Officer ~~Studemire~~ *Studemire* looking down this alley I sleep on. I looked around at my surrounding while Ofc. ~~Studemire~~ *Studemire* left the area where she was standing and started walking down the alley as she pull out her stick so I observed her more closer. Ofc. ~~Studemire~~ *Studemire* along with ~~two~~ *three (3)* Cadets followed her to Inmate Clinton Myhand assigned Bunk. Ofc. ~~Studemire~~ *Studemire* put her stick in inmate Myhand face and insinuatingly accuse inmate Myhand of masturbating. When Ofc. ~~Studemire~~ *Studemire* put the stick to his face (tring to provoke inmate Myhand to respond in a way she could show out in front of the other famale and Male cadet. Ofc. ~~Studemire~~ *Studemire* stated:" if I ever see you masturbating on me again I'm going to write your ass up." Inmate Myhand started telling her he has his shorts on, my hand not even in my shorts, I'm talking to that man right there (pointing at inmate A. Coleman whom at this time had stood up to get out of the way). Ofc. ~~Studemire~~ *Studemire* became even more aggressive at this point and put

the stick to his face trying to further provoke a response out of inmate Myhand to used physical force that really was not need. Inmate Myhand manage to get his shoes on while ofc. Studermyer address me with verbal aggression and a order me to get off my rack and go out side. On our way out side ofc. Studermyer steps on the heel of my shoe trying to get a response while she calls in a code on the radio. Once we reach out side other officer are running in route to the dorm C-1. Sgt. Patrick talk with inmate Myhand, at this time ofc. Studermyer push me with her stick in my neck as the other officers approach, I remain calm because it was obvious to me ofc. Studermyer was trying to use me and inmate Myhand as an example to exercise physical force. Gladly, I was that Sgt. Waiver stop her before I was force to defend myself. I told Sgt. Waiver she knows she is wrong for that, so he decided to escort me to the shift office himself. Shortly, after arriving at the shift office ofc. Studermyer comes up to me with her stick again but before she could touch me with it Sgt. waiver instructed her to go on in the shift office (to talk to the Lt. Person and Captain Moore). Officer S Hess also watch the incident as it unfolded in the hands of ofc. Studermyer. Sgt. S.Clemons tell ofc. Studermyer gone handle your bussiness girl. Sgt. Captain Moore came to the door of the shift office and stated you going to get your one hundred (100) and he stated something with that. I ask Captain Moore what did you say? He said you ever heard of getting your one-hundred (100)? I answered No, and ask him what did he mean, he said you going to find out. I'm certain you going to get what you are looking for, you're going to get what you are looking for. Captain Moore add I don't know what you call your self doing and I don't know what ofc. Studermyer going to write you up for but it sound like you was trying to incite a riot. That What you're doing! I gave Captain Moore no verbal response just look at him. He stated
